

## **QUALITY POLICY**

Our Division will continuously strive at enhancing Customer Satisfaction by Understanding the requirement and providing a suitable product on the committed delivery date. Prompt after sales service will be provided when required.

We will achieve this by reviewing relevant internal, external issues and expectations of all interested parties.

We are committed to satisfy applicable requirements, implement and continually improve the Quality Management System that meets the requirements of ISO 9001:2015 and also the quality objectives through active and continual involvement of all stake holders of the division.
